Our Mission

Making the joy of human-horse connection possible for people of all ages and backgrounds while giving rescued horses a second chance at life. People helping horses helping people.

We realize this mission by:

- a. Partnering with horse rescue organizations in Colorado to bring abandoned/neglected horses to our ranch each summer, so that our trained volunteers can gentle and train them, and if appropriate, make them receptive to riding, with the ultimate goal of helping them be adoptable.
- b. Serving as a Summit County community resource and partner by offering learning opportunities to people of all ages to deepen their knowledge about all aspects of horsemanship, how to communicate with horses, help horses be responsive to human direction, and experience the joy and benefits of human-horse connection.
- c. Partnering with local youth and adult agencies to help them meet their objectives by providing them interactive experiences with horses at our ranch.

Board of Directors

CRAIG ROBELEN – PRESIDENT & CAPITAL IMPROVEMENTS COORDINATOR

CAROLE WELLER – VICE PRESIDENT & VOLUNTEER COORDINATOR

KATIE NEES – BOARD TREASURER

MARGUERITE MILLER – SECRETARY OF THE BOARD

SANDRA ELLISON - BOARD MEMBER & EVENT COMMITTEE CHAIRMAN

ROSS SHEELY – BOARD MEMBER & GOLF EVENT COORDINATOR

NANCY GUERRA – HR COMMITTEE CHAIRMAN & GRANT COORDINATOR

CHRIS WALTON– BOARD MEMBER

DAVE DEPETERS– BOARD MEMBER

A thank you to our wonderful photographers for capturing our story

A Year in Review

CRAIG ROBELEN – PRESIDENT

The past year has been a wonderful year full of accomplishments. Lizzie Kanetsky's first full year as our Executive Director has raised the reputation of the Horse Center throughout the community and with our many sister organizations. Numerous organizations such as Keystone Science School have expanded partnerships with us, spreading the opportunity of experiencing the joy of the horse-human relationship to a broadening community base. Our Equine Obstacle Challenge was a great success bringing many experienced equestrians to the ranch with the future bright for several similar events to be scheduled for 2024. The successful SVHC Golf Tournament has grown in scope to 100 players and will be repeated on July 15, 2024 at Keystone Ranch.

The future holds many exciting opportunities to increase our participation with sister organizations and the general Summit County equestrian community. Facilitating this is the present upgrading of our main arena with new fencing and new sand footing making it safer for all. This was funded by Michael and Carol Obst, who have been our supporters for several years now. We also received significant donations from other private individuals as well as corporate support from a wide variety of businesses. This has allowed us to buy a new bush hog mower and our Kubota tractor. In addition, our classroom and tack room areas are being upgraded with new drywall and a new staircase. Overall, the ranch is transforming into a sustainable, quality facility.

Our future is very positive with a goal of developing SVHC into a major permanent equestrian resource center for Summit County. Our dreams include an indoor arena for cold or rainy-day riding, and a trail system around the property for more people to enjoy riding in a learning environment. We are also currently working with the Summit Historical Society to develop a presentation of the ranching heritage of Summit Valley as part of our learning center. This will be a foundational step to developing SVHC into a true community equestrian resource center.

A Year in Transition

LIZZIE KANETSKY – EXECUTIVE DIRECTOR

With immense gratitude, I can reflect on the past year as Executive Director of Summit Valley Horse Center, and I am thrilled to highlight all the successes of the past year. 2023 brought new beginnings to the ranch, starting with an increase in programming and events giving more volunteers access to the benefits and joy of horses. Beginner and Advanced Horsemanship classes were filled each session, and it was easy to see each volunteer gain knowledge, skills, and confidence during each class. The progress of volunteer education sparked curiosity at the ranch, and a joy of deep learning was the new environment at Summit Valley Horse Center. Volunteers, participants, adults, and children learned more than just how to train horses; they gained life skills not found in any classroom. Patience, compassion, kindness, and resilience are all life lessons taught to each individual while spending time at our ranch with the horses. These life-changing moments were all possible because of the hard work, commitment, and determination of the volunteers, staff, donors, board of directors, and our community.

The summer of 2023 saw more horses than ever at the ranch, with 16 adoptable horses, and the introduction of a reliable herd of horses. These reliable horses were the backbone of our kids' programs, beginner horsemanship, and riding classes. Each horse would patiently help each handler learn how to interact and communicate with horses in a safe environment. Establishing this reliable herd allowed us to increase our community outreach, including the development of our first-ever Junior Horsemanship program. We continued to work with Building Hope, Keystone Science School, Girl Scouts, and the Boy Scouts throughout the summer with over 100 children participating in classes. A huge volunteer effort saw ten of our sixteen adoptable horses find forever homes! While it was bittersweet to watch these beloved horses leave our ranch, it brought everyone joy to see these wonderful animals find lifelong homes. Some of these horses stayed close to home, and we are all very excited to see their training continue over the coming years!

2023 and all of its success would not be made possible without the commitment from our partnering rescues. We partnered with three new rescues in 2023, and a heartfelt thank you to Mountain Valley Horse Rescue, Wild Hearts Haven, and Little Hooves Rescue for sending us horses in need of training. Additionally, our longest partnership has been with Next Step Horse Rescue, and we could not achieve our mission without their continued support. Thank you for working with us over all these years.

2023 was a whirlwind, full of changes and growth. I thank each of you for your support, trust, and dedication, and I truly look forward to continuing to grow our organization. The future of Summit Valley Horse Center is bright, where we always will be people helping horses helping people.

Summit Valley Horse Center Foster Herd 2023

BECOME A HORSE SPONSOR

Each year the Summit Valley Horse Center partners with horse rescue organizations throughout Colorado to bring abandoned, neglected, and abused horses to our ranch to receive the love, care, and training they so urgently need.

In 2023 we sourced horses from four different Rescue Organizations across Colorado, three of whom were new partners for us. Through Mountain Valley Horse Rescue, Wild Hearts Haven, Little Hooves Rescue, and our longtime partner Next Step Horse Rescue, we brought sixteen horses in need of rehabilitation to the ranch this summer. With tireless and dedicated effort, our trained volunteers in the Advanced Horsemanship Program worked with these horses to gain their trust, gentle their spirits, and retrain them with the goal of making them horses that might be adopted into their forever homes.

& TRAINED (2023)

38 TOTAL ADOPTIONS
IN 4 YEARS

10 ADOPTIONS
IN 2023

OUR 2023 ADOPTIONS

ABE

Foster Agency: Mountain Valley Horse Rescue (MVHR) | Breed: Morgan | Color: Sorrel
Gender: Gelding | YOB: 2003

Abe is the sweetest older gentleman who is gentle, kind and patient. The volunteers loved working with Abe as he was curious, friendly and had good ground manners. Unfortunately, he was no longer rideable due to a previous hip injury, but his new adoptive family fell in love with Abe and wanted him to be a companion to their existing herd. Abe is enjoying the good life with his new family on the Colorado range.

CLIFF

Foster Agency: Mountain Valley Horse Rescue | Breed: Quarter Horse | Color: Palomino
Gender: Gelding | YOB: 2000

Clint was a shy, quiet, older guy who sat in a pasture alone for many years before he was rescued. During his summer stay at SVHC he became good buddies with Darcy, one of our other rescue horses at the ranch. Cliff needed a forever home where he felt safe and secure around people, would receive tons of love and affection, and be around other horses. His new adoptive family fell in love with his gentle demeanor and the fact he loved being petted and talked to! Cliff found his new home and a new herd where he is now part of a wonderful family. Cliff's lonely past is now behind him with love and companionship from his new friends and family.

CORONA

Foster Agency: Wild Hearts Haven | Breed: Mustang | Color: Sorrel | Gender: Mare | YOB: 2016

First to the fence to say hello to you! Corona is a loving 7-year-old mustang who is as beautiful as she is friendly. She loves to be scratched and petted and pampered- but don't we all! When she first arrived, she was not crazy about being haltered, but after working with the wonderful volunteers at SVHC she quickly became unafraid. She is a quick learner and still needs some desensitization. Through hard work this summer Corona now excels in groundwork and accepts a saddle, and is well on her way to becoming a nice saddle horse. Corona caught the eye of our very own Executive Director, Lizzie who adopted this beautiful mare as one of her own!

LEO

Foster Agency: Next Step Horse Rescue | Breed: Yakima Mustang | Color: Bay | Gender: Gelding | YOB: 2019

Leo has all the potential in the world, he just needed someone who would take the time with him and build his confidence. He was shy and nervous at the beginning of his time at SVHC. Yakima's are super smart and willing to learn when given the opportunity, and Leo lived up to his breed. He needed lots of groundwork to set a better foundation for his training. By the end of the summer he was easy to catch, saddle, groom and stood perfect for our farrier. After his return to Next Step, all the staff commented on how friendly and easy to catch Leo was after his summer at SVHC. Leo's new adoptive family loves his free spirit and will nurture him and allow his personality to blossom. They have even posted pictures of them riding Leo! All the best to you Leo!

OUR 2023 ADOPTIONS

CONTINUED

HERO

Foster Agency: Next Step Horse Rescue | Breed: Mini Shetland/Hackney Cross | Color: Sorrel | Gender: Gelding | YOB: 2018

Hero was picked up from a horse hoarder, we learned that he spent the first five years of his life in a small, dark enclosure, on a manure pile standing about 4 feet high. Forced to stand at an angle because of the slope of the manure pile, his muscles were atrophied and back legs seriously underdeveloped. When he arrived at SVHC in May 2023 he was terrified of human contact, and unable to be handled. He quickly became a favorite, and after a summer of loving care, attention and training on our ranch, Hero transformed into a confident, loving, and strong little horse. Surrounded by so many volunteers that loved him, Hero and the other rescue horse epitomizes all that SVHC stands for. One of our Board members adopted him so that he can be a permanent member of our herd, living the rest of his life in our care. Come to the ranch to see the progress Hero has made!

WILLOW

Foster Agency: Little Hooves Rescue | Breed: Mini | Color: Dun | Gender: Mare

Cute comes in little packages! She is sweet, gentle and very furry; though she can be a challenge to catch she is practically perfect when on a lead rope! Willow was a spunky little mini that stole everyone's hearts. Her new forever family is excited to keep up her training and use her for their daughters 4H program!

TEMPEST MOON

Foster Agency: Next Step Horse Rescue | Breed: Mini | Color: Paint | Gender: Mare

Tempest was a shy little paint mare who needed to gain confidence around people. She was extremely difficult to catch this summer, but was curious and friendly once caught. Tempest Moon gained confidence everyday while being handled, and even was a star on the obstacle course! She was adopted this summer, and her new family is looking forward to continuing to grow her confidence.

OUR 2023 ADOPTIONS CONTINUED

PACER

Foster Agency: Next Step Horse Rescue | Breed: Quarter Horse Type | Color: Bay | Gender: Gelding
YOB: 2019

Pacer was rescued from a kill pen situation and came to Summit Valley already having several rides on him. Pacer was outgoing, and always the first one at the fence to say hello. Pacer was always playing with other horses in the field and was curious about everything. This summer Pacer received lots of desensitization and gained new confidence going through the obstacle course. Pacer was adopted when he returned to Next Step Horse Rescue this fall, and we can't wait to see how he progresses over the years!

BONITA

Foster Agency: Mountain Valley Horse Rescue | Breed: Reservation Mustang | Color: Bay. | Gender: Mare | YOB: 2021

Bonita came to Summit Valley Horse Center as a shy mustang, who was very wary of any type of human contact. She was a favorite amongst the volunteers, and certainly lived up to her name, with everyone commenting on her beauty. Through lots of patience, and the determination of several volunteers Bonita became more comfortable and confident around people. Midway through the summer Bonita was adopted and by the end of the summer Bonita stood tied, loaded in and out of a trailer and was able to be saddled. While still very shy, Bonita made huge progress this summer.

FANCY

Foster Agency: Next Step Horse Rescue | Breed: Quarter Horse Type | Color: Buckskin | Gender: Mare | YOB: 2019

Fancy was rescued from a kill pen situation and came to Summit Valley a little shy and was hard to catch. Fancy slowly began to warm up to being caught, groomed and excelled at groundwork throughout the summer. Fancy was a favorite among the advanced volunteers, and everyone commented on her beautiful buckskin coloring. In her previous life she never had her feet trimmed, and with the work of the farrier at Next Step Horse Rescue and the farrier for Summit Valley we were able to help her hoof structure return to more appropriate angles, making it possible to start her under saddle this summer. She learned to accept the saddle, a rider, and was patient and calm learning to steer and stop. Fancy was adopted upon her return to Next Step Horse Rescue, and we wish the best for her!

2023 Events & Fundraisers

Non-Profit Carnival at Town Pavilion in Silverthorne | April 20, 2023

Each year, CASA of the Continental Divide hosts a family carnival in Silverthorne that features non-profit organizations throughout the County. Summit Valley Horse Center hosted a booth with equine-themed giveaways for the kids, and friendly volunteers who were eager to share information about our upcoming summer programs and events. This was a great opportunity to join with other nonprofit leaders to spread the word about all we bring to our community.

Open Ranch Day | June 17, 2023

Each summer we open the ranch to the public for a day of fun and exploration of all things equine, and to introduce ourselves and our mission to the community. This year at Open Ranch Day we had over 80 visitors who enjoyed a variety of activities including pony rides, grooming our mini horses, arts and crafts for the kids, and burgers on the grill. The day also included ranch tours, horsemanship demonstrations, and opportunities to meet our foster horses. It was a festive day that we have continued to refine and improve with even more fun activities each year.

Rotary Bingo at the Pad Benefiting SVHC | May 1, 2023

Every first Monday of the month Friends of the Dillon Ranger district and the Rotary Club of Summit County host a Bingo Night with a portion of the proceeds benefitting a local non-profit. For the first time, Summit Valley Horse Center was invited to be the featured non-profit, and we jumped at the chance. It was a fun and festive evening of Bingo that extended our reach into the community and earned us some valuable donations. Amidst the laughter and fun, attendees learned about our organization, and how they might become a member and volunteer at the SVHC ranch.

Obstacle Course Challenge | June 24, 2023

The Summit Valley Horse Center hosted its first annual Colorado Horsemanship Challenge this summer in an attempt to extend our reach into the broader equine community. This event was open to the public and featured trail riding and an obstacle course challenge for Novice and Experienced riders. Over 20 riders competed in the obstacle course challenge hoping to win the coveted first place award! Guest judges included two judges of the Tennessee Equine Trail Challenge that officiated the event with over 40 spectators watching the activities. This was such a hit that we plan to hold it twice in 2024.

Silverthorne First Fridays | June 2, 2023 and July 7, 2023

Town of Silverthorne has made the first Friday of every month a reason for residents and visitors alike to get together and celebrate what's special about this vibrant community. From arts and food to music and fun, First Fridays showcase the community's talented artists, musicians, and local businesses. To showcase what we bring to the community, SVHC hosted a booth at the event enabling attendees to learn about the ranch, our programs, and how to become a volunteer.

In 2023 SVHC hosted a variety of Events to build public awareness of Summit Valley Horse Center, engage the community, and have fun while we fundraise

2023 Events & Fundraisers

CONTINUED

2nd Annual SVHC Golf Event | July 17, 2023

In July, the Summit Valley Horse Center hosted its second annual golf tournament at the Raen Golf Club at Three Peaks. Over 120 golfers took a swing at winning numerous prizes based on their golf abilities throughout the day. Golf pro's offered helpful hints at holes 9 and 13 to our golfers. Lunch was provided to all, followed by a fun-filled silent auction at the end of the tournament. We thank our generous donors as well as our golfers for assisting us in our annual fundraiser to help support the care and training of our foster hours so that they can find a forever home. Donations also help us with expenses for feeding the horses, their veterinary care, farrier expenses, and supplements to bolster the horse's health. Yahoo!

Silverthorne Pumpkin Fest | October 8, 2023

Hosted by the Town of Silverthorne, the annual Pumpkin Fest featured hayrides, a 10-car barrel train pulled by tractor for kids and over 2,500 pumpkins given away to children. A favorite of all children visiting the event was SVHC pony rides and the opportunity to pet and groom the ponies. Edgar, Misty and Tiny were on hand to greet and provide over 200+ rides to the excited youngsters

Local Donor/Member Appreciation Event | July 20, 2023

As a Thank You! to our generous sponsors and donors throughout the year, the Summit Valley Horse Center, hosted a Donor / Member Appreciation Evening in their honor. Over 70 donors and sponsors attended, sampling wonderful wines and cheeses throughout the night as well as participating in ranch tours, visiting our herd of foster horses and listening to a local musician while the sun set over the mountains.

Thanksgiving and Christmas Pony Rides at Tiger Barn | November 25 and December 23, 2023

This year during the winter months, our ponies Tiny, Annie, and Edgar, along with our mini horse Hero, are living at Tiger Barn located at, 1684 Tiger Road, Breckenridge, CO. SVHC Executive Director Lizzie Kanetsky coordinates a team of volunteers to help feed and exercise the ponies at their winter home, keeping them ready to serve in children's programs during SVHC's summer season. As a special winter outreach event during Thanksgiving and Christmas weekends, SVHC offered the public free pony rides, and pet all the horses. There were over 100 children and their parents in attendance over the two weekends, enjoying lots of holiday cheer while huddled around the fire with hot chocolate and cookies

Open Ranch Day | September 15, 2023

This day-long event was all about showing off and celebrating success! Our volunteers were on hand to show off the hard work with the rescue horses, showcasing the progress each horse made over the summer. Attendees were able to meet the foster horses and talk with our partner rescues, in addition to viewing some of the groundwork that the horses had learned over the summer. We were so proud to demonstrate how far each and every horse came in their learning, and were grateful to have our rescue partners Wild Hearts Haven, Next Step Horse Rescue, Little Hooves Rescue and Mountain Valley Horse Rescue on hand to answer any questions the "adoptive parents" may have had.

Our Volunteers are the Heart of SVHC

“Our horses would not be able to find a second chance at a new loving home without the wonderful generosity of our donors and time commitment of our volunteers. To them we are truly grateful.”

- CAROLE WELLER, VICE PRESIDENT
AND VOLUNTEER COORDINATOR

Summit Valley Horse Center could not exist without our amazing and dedicated community of volunteers.

Whether volunteering at our Thrift Store, at our various Events, in our Child Equine Programs, or in training the rescue horses at the ranch, we strive to enrich our volunteers lives by creating a community that they are proud to belong to, and that positively impacts their lives. Our volunteers laugh together, learn together, play together and directly feel the difference that their efforts are making with our horses and in our community.

A woman wearing a light-colored cowboy hat, sunglasses, a blue long-sleeved shirt, a pink scarf, and a plaid shirt tied around her waist is walking. Next to her, a young child with blonde hair in a ponytail, wearing a floral patterned shirt and blue pants, is holding the lead rope of a dark brown pony. The background is a blurred outdoor setting, possibly a fair or festival, with a white tent and a sign visible.

Child Equine Programs

Meet the Minis

Meet the Minis ranch program has been an excellent “gateway” experience for young children and individuals with limited to no exposure to horses. It is a class that allows individuals to gain hands on experience with mini horses to include: grooming, leading the horse and mini obstacle course training. It is 1.5 hours in length and for Children ages 4+, Children, Teen, Families and Adult volunteers and attendees with no to limited horse experience.

Pony Posse

The Pony Posse will work with our 4 ponies and is suitable for ages 8+ , including those with limited to no knowledge of horses. It is a hands-on class that allows individuals to gain experience of grooming, leading and handling the horse and some desensitization including walking the obstacle course. The class is 2 hours in length.

Junior Horsemanship

This class is specific for ages 8-15 wanting to learn all aspects of horses, including ground work and riding skills. Designed to introduce participants to basic horse safety, handling, care, and an introduction to riding. This two-day, 4 hour class utilizes working with our reliable horse and pony herd and is designed as a group learning experience. Starting with beginner horse handling skills and progressing to more intermediate horse handling skills. A strong emphasis on horse husbandry and care will be taught. Upon graduation from Junior Horsemanship participants will be invited to help assist with our Meet the Mini and Pony Posse classes.

A woman with long blonde hair, wearing a light-colored cowboy hat and a blue and white paisley shirt, is shown in profile, kissing a horse on the nose. The horse is dark-colored and has its eyes closed. The background is dark and out of focus.

Teen + Adult Equine Programs

Beginner Horsemanship with Trained Horses

This program is for adult SVHC members who desire more experience in learning about basic handling, training fundamentals and preparation for working with the foster horses. This 2 hour class allows participants to work with trained horses and learn the proper technique of catching, groundwork, desensitizing, grooming, saddling, and obstacle course introduction. This class allows one-on-one connection with the horse. It is required for volunteers who wish to participate in Advanced Horsemanship, a volunteer checkoff will be complete before being eligible to move to Advanced Horsemanship. Class is for ages 15 and older (or instructor approval). Must have attended New Member Introduction class.

Advanced Horsemanship with Foster Horses

This class allows members who have completed Beginner Horsemanship and those with advanced horse backgrounds to help rehabilitate abused, neglected or unwanted horses. Participants work with untrained to minimally trained horses to provide a caring and nurturing environment to teach and train horses for adoption. Attendees will build on their knowledge from Beginner Horsemanship including catching, groundwork, desensitizing, saddling and obstacle course introduction. This 2-hour class allows one-on-one connection with the minimally trained foster horses. For ages 15 and older (or instructor approval). Must have attended New Member Introduction and complete Beginner Horsemanship checklist. Must have some experience with horses

2023 Financials

“The fiscal integrity is essential to ensure the continual mission and long-term sustainability of the Summit Valley Horse Center’s mission and goals. The purchase of the Thrift Store retail condos was an important step in ensuring the fiscal longevity of the organization”.

DREAMS OF A FUTURE SVHC EQUESTRIAN CENTER

“Summit Valley Horse Center was created to allow adults and children to experience the beauty of the horse-human connection as they learn how to train and gentle rescued horses. As the only place of its kind in Summit County, our vision is to create a Summit County Equine Center where residents and visitors alike can participate in our programs with both rescued and reliable horses. Training, handling, riding, hosting equine events and just coming together as a local horse community is the ultimate goal of all we aspire to -at Summit Valley Horse Center.”

Sponsorship Opportunities

Sponsorship helps us cover the cost of taking care of our very expensive horse friends! Ranch expenses exceed \$250k each year. Sponsorship can be on an ongoing monthly basis or in the form of a one-time donation.

Individual Horse Sponsorship: \$1,000 to help cover the cost of a horse for the season

Class Sponsorship: \$195 sponsorship of a child to attend Junior Horseman class; \$1,170 for an entire class of 6 children.

Corporate Sponsorship with advertising benefits: \$3500

Other Sponsorship Opportunities:

\$50 sponsor attendance at a Meet the Minis or Pony Posse class or buy a new helmet

\$25 per month, buy hay for one horse for a month

\$50 per month, buys hay and grain for a horse for a month

\$100 per month, pays for food, farrier, and vet costs for one horse

\$250 per month, fuels the tractor for a month
